BRIEF DESCRIPTION

In September 2023, Holiday Toll-Free Policy was implemented for two more days than in September last year. Also, the surrounding areas of the three expressways was affected by the COVID-19 pandemic to a different extent in last September, which had led to differences in the year-on-year bases. As a result, the year-on-year changes in toll revenue of the three expressways varied.

For basic information and historical data of each expressway project, investors may visit the Company's website at <http://www.sihbay.com> under the section of "Business Overview".

CAUTION STATEMENT

Operation statistics contained herein are compiled from the Group's unaudited internal records. Some of the operation statistics are recorded with estimates at the time of monthly settlement and disclosure. As certain procedures are required to perform in data sorting, confirmation and settlement under the circumstances of integrated toll fee collection system, there may be discrepancies between such operation statistics and those disclosed in periodic reports. In addition, current monthly provisional statistics is adjusted for the difference between the provisional and the actual settlement statistics of the previous month, which may distort the year-on-year comparison. While due care is taken in the disclosure of the statistics by the Company, such statistics serves as provisional statistics for investors' reference only. Investors are advised to exercise caution when using such statistics and not to unduly rely on such statistics.
